# Welcome!

It is with great excitement that we invite you to enter the second annual *Pharmaceutical Executive*® APEX Awards. We're thrilled to announce that this year's show will be live in New York City in June 2022!

What makes our healthcare awards distinctive? It's the juror panel, made entirely of healthcare professionals who review entries that correspond to their specialties. As target audiences (who understand patients), jurors bring special insights about which submissions may resonate, inform, and motivate. Above all, each judge remains dedicated to a common goal: Recognizing creative excellence in pharmaceutical and healthcare marketing.

Your 2022 *Pharmaceutical Executive* APEX Awards packet is attached to this email. Inside you'll find details on deadlines, medium requirements, fees, and more. Of course, if you have any questions, please don't hesitate to contact us [here](#). On behalf of everyone at the 2022 *Pharmaceutical Executive* APEX Awards, I wish you the best and look forward to seeing you in person in June!
